Joint Digital Healthcare Symposium

Our Daily Digital Health:
...is everyone ready ?

19-20 January 2016 in Brussels, Belgium

Stanhope Hotel, Rue du Commerce 9, 1000 Brussels

The **Joint Digital Healthcare Symposium** convenes the
Thought Leading European eHealth community to join the colocation
of the **United4Health Final Conference** and
the **7th Annual EHTEL eHealth Symposium**.

▶ **Doers from the field will demonstrate and debate** what it really means to
use eHealth and mHealth at scale to transform healthcare delivery.

▶ Learn about the headline lessons learned and outcomes from the evaluation
of the large scale European telehealth deployment project United4Health.

▶ As the pace of technology innovation is ever increasing, you will be invited
to look forward into the future of healthcare transformation.

*Event co-organised by **United4Health** Project (co-funded by EU) and **EHTEL**.*
