Collaborating for Digital Health and Care in Europe

Digital therapeutics and care at home

EHTEL Innovation Initiative webinar, 3 June 2020, 12 00 – 13 30 CET

 [@ehtel_ehealth](https://twitter.com/ehtel_ehealth)

Discussion: Digital therapeutics and care at home

#Imagining2029

- In your **country, region or initiative** in what way (**how**) is care moving from the hospital to the home? What **concrete examples** can you offer?
- In your **country, region or initiative** have you any **concrete experience of digital therapeutics** (especially artificial intelligence-enabled digital therapeutics)?
- What **major benefits** do you see in this field? What **major challenges**?

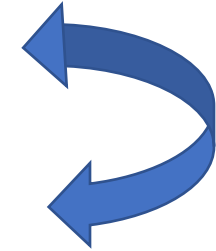

Save the date – Next steps

#Imagining2029
